Private Companies:

Price	Name	Dividend	Blocks	Special Abilities
f20,-	#1 Amsterdamse Omnibus Maatschappij (AOM)	f0,-	F5	Company may build an extra tile on F5 with f40 discount.
f40,-	#2 Geldersch-Overijsselsche Lokaalspoorweg-Maatschappij (GOLS)	f5,-	F15 F16	Free token on Field with large town but without track in phase 'lay token'.
f70,-	#3 De Veluwe (DV)	f10,-	F9	A player owning the DV may exchange it for a 10% share of NCS.
f110,-	#4 Lokaalspoorweg-Maatschappij Enschede-Oldenzaal (EO)	f10,-	F19	The initial purchaser of the EO immediately receives a 10% share of KNLS shares without further payment.
f160,-	#5 De Oude Lijn (breedspoor)	f10,-	E4 E6	The owner of 'De Oude Lijn' immediately receives the president's 20% certificate of the HMS without further payment and immediately sets a par share value. This private closes when HMS purchases its first train.
f200,-	#6 Antwerpen-Rotterdamsche Spoorweg-Maatschappij (AR)	f15,-	J3 K2	The owner of the AR immediately receives the president's 30% certificate of the NFL without further payment and immediately sets a par share value. This private closes when NFL purchases its first train.

During the initial purchase of the privates:

- If all players pass consecutively and the AOM is unsold, the price to buy the AOM is reduced by f5,-.
- If all players pass consecutively and the AOM is sold but the GOLS is not, the price to buy the GOLS is reduced by f5,-.

If the private company #2 GOLS lays its free token on H13, it remains there until the NZO has laid its first (home)-token.

Tiles:

Sort out from the 1830-tiles: the B-tiles, the NY-Tiles and the tiles with two small cities

Add the following tiles:

3 large yellow towns with a large curve (value 20): Three times number 6

4 green X-towns (value 50) for the yellow X-towns on E6, G2, H3: numbers NL1, NL2, NL3, and NL4*

4 small green towns (value 20) for small yellow towns: twice numbers 87, and 88

2 brown X-towns (value 70): numbers NL5, and NL6*

1 brown Z-town (value 70) for green Z-town on B15: number NL7*
