

Società Corriere Etnee

Studio di Ingegneria Giuseppe Incorpore

A Corporation cannot build in the Acireale hex until this Company is either eliminated or bought by any Corporation.

L.20 Revenue L.5

Compagnia Navale Mediterranea

The owning Corporation can place the +20 token on any port. This action closes the company, but the Corporation adds L.20 to the port's revenue until the end of the game.

L.75 Revenue L.15

Società Marittima Siciliana

The owning Corporation can place a tile and a token on a coastal city (even if not connected to a railhead). This action closes the Company, and is made instead of the regular Track Laying and Token Laying Steps.

L.110 Revenue L.20

Reale Società d'Affari
The owner of this company:
• Takes the first President's Certificate.
• Sets the initial market value at L.68 or L.100.
• Puts a token on the appropriate base city.
• Takes the initial Treasury of the Corporation (either L.136 or L.200) minus the token fee.
Closes when the Corporation buys a train.

L.45 Revenue L.25

Società Corriere Etnee

A Corporation cannot build in the Acireale hex until this Company is either eliminated or bought by any Corporation.

L.20 Revenue L.5

Compagnia Navale Meditarranea

The owning Corporation can place the +20 token on any port. This action closes the company, but the Corporation adds L.20 to the port's revenue until the end of the game.

L.75 Revenue L.15
